

Boost the Effectiveness of Your SAS Training

Create a customised course based on your organisation's specific SAS needs and objectives. Customisation can range from appending a module, to creating workshops using your own data, to creating an entirely new course.

Who will benefit?

- Groups of 2+ with the same training needs
- Groups requiring accelerated SAS learning
- Groups requiring training in topics not covered in our standard curriculum.

What are the benefits?

- A course curriculum relevant to your staff's training needs
- Topics that directly correspond to your training objectives
- Use of own data in training to increase effectiveness.

What do you get?

- A tailored course curriculum that meets your specific requirements
- A master set of course materials
- Training sessions led at yours or our premises.
