

SAS Software

As a SAS Gold Partner and Reseller, Amadeus is ideally placed to provide expert, unbiased software advice and licensing for your business.

Software Solutions

Amadeus Software, the SAS experts, have the knowledge and expertise to recommend and license the best product or solution from across the whole SAS software portfolio to overcome your business challenges.

Licensing

As a SAS partner, our teams have sight of future software roadmaps and key areas of investment. Together with proof of concept to validate any solution set, this ensures confidence that you're armed with the most innovative solutions to empower your business.

Enablement

The Amadeus team consists of SAS Platform Engineers, SAS Administrators, Analysts and Data Scientists who work closely as a team for your team. After introducing SAS to your business, we ensure your users are empowered to progressively recognise its power.

Dedicated Management

We measure ourselves by your success and satisfaction from SAS software. We provide Account Management through to fully **Managed Services**, ensuring your benefits from SAS are realised.
